

PRESS RELEASE

January 7, 2021

John Olobri has retired from AEMC[®] Instruments

Dover, NH – AEMC[®] Instruments, part of the Chauvin Arnoux[®] Group announces with mixed emotions the retirement of **John Olobri**, Director of Sales & Marketing. Mr. Olobri holds degrees in both Electrical and Industrial Engineering and has worked in the design and marketing of instrumentation for over 35 years. As Director, he was actively involved in the areas of Insulation resistance testing, Ground Resistance testing, Power Quality testing, Environmental testing and Data Logging. He was instrumental in developing and teaching AEMC's accredited seminar and webinar classes on ground resistance, insulation testing and power quality testing.

We thank him for all the knowledge and expertise he has provided throughout the years and wish him a healthy and happy retirement.

AEMC[®] Instruments manufactures professional electrical test and measurement instruments for the industrial, commercial and utility marketplace. Our products are backed by over 125 years of experience in test and measurement instruments and encompass the latest international standards for quality and safety. AEMC[®] products can be purchased through a worldwide network of distributors. www.aemc.com
